Seattle for custom-bored doors, trim only, available functions include passage, Euro profile cylinder privacy bolt (8 x 8 – German lock), privacy bolt (6 x 6 – Italian lock), dummy, half dummy right, and half dummy left. Kindly ensure that you specify your door thickness when ordering. For optimal compatibility with our door handles, we recommend lock options S8 (MAMO) or S10 (GEMO). Before preparing doors and installing please carefully check the installation instructions. For any questions, please contact order@karcher-design.com. *Please note that the price was valid at the time of printing and the tear sheet does not indicate an expiration date. However, prices are subject to change.
